This fee supplements tuition and is what we try to set aside for improvements to the building or the program of PBA. Each family can simply pay this or work it off through the various school wide fund-raisers the school will have. We ask parents to heartily participate in our fund raising programs so that we are able to reach our goal in that particular program. Please remember, fund-raisers are used to provide things that cannot be normally purchased through the tuition. Your participation in fund-raisers helps us to keep the cost of tuition down.
